President's Corner

Hello everyone. I know we've had some bad weather this pass month. I hope everyone is well. We will once again be meeting at Shoneys on McGavock Pk. for our February meeting because of the potential for cold weather but we will be back at Lock Two for our Skywarn class in March. (Remember our 6:30pm start time for this)

Also our events are starting in April with the MS Walk. I hope everyone will find at least one event they would like to participate in this year. These are a great learning opportunity and a lot of fun while helping these organizations.

If you ever have any problems or concerns please feel free to contact me at 615-480-6402 or at n1nut48@gmail.com

2018 Dues are Due

For those who have not already paid your 2018 NARC dues remember they have to paid by the end of March. The dues are \$20 (twenty dollars).

New Newsletter Editor Needed

The Nashville Amateur Radio Club is looking for a Newsletter Editor to take over immediately. If anyone or any group of people are interest please let one of the officers know. If someone doesn't volunteer I'm afraid that the club will be without a newsletter. I have enjoyed doing this but have just ran out of ideas and I truly believe someone else would be much better with fresh ideas. Everyone else could help the new editor by providing information to put in the newsletter. I heard someone say at our November meeting that there should be a Board of Director corner in the paper but, I have never gotten any information from them. It's not just them I have rarely received information to include. Maybe the new year will be better. Good luck.
