President's Corner

I hope to see everyone come out for Family Day this year on September 15. This is a good opportunity for everyone to not only share some great food but to meet and get to know your fellow NARC members. Bring your family and join us. The club will provide hot dogs and hamburgers and we ask that everyone bring a side dish or dessert. We will also have a tailgate first thing in the morning starting at 8. If you're looking for a deal or have something to sell come on out.

We have our 2 final events of the year coming up the first of October so if you haven't signed up to help please do. We can always use more people. It's also time to start thinking about elections. October will be nominations and November is election month.

Remember we all have to work together to make our club grow. **TEAMWORK.**

If you ever have any problems or concerns please feel free to contact me at 615-480-6402 or at n1nut48@gmail.com

FCC Launches “More than Seven Dirty Words” Podcast

08/28/2018

The FCC has launched a new podcast series, *More Than Seven Dirty Words*, that will feature interviews with FCC officials and staff in addition to others in the communications arena. The podcast aims “to share untold stories, explain important policy issues, and maybe even do the impossible — make telecom interesting,” the FCC said in announcing the new media outlet. “One of the wonderful things about the digital age is the many ways to share information, so we’re excited to launch this new FCC podcast,” said FCC Chairman Ajit Pai, who is a guest on the initial outing and shares some banter with the program host, FCC Policy Advisor Evan Swarztrauber.

Guests will share their personal stories behind FCC news headlines and break down various telecommunications-related issues. The podcast’s title is drawn from the first episode’s introductory discussion, which touches on the court fight over George Carlin’s “Seven Dirty Words” and the fallout from the 2004 Super Bowl halftime show. The first podcast — which runs nearly 4 minutes — also mentions the FCC’s response to the 2017 Puerto Rico hurricane disaster.

Each episode will be available at fcc.gov, as well as on iTunes, and Google Play

Family Day

September 15th will be the NARC annual Family Day. We will start the day with a tailgate at 8am. Bring items you would like to sell and look for new bargains

We will eat at 12 noon. The club will furnish hot dogs and hamburgers and we ask the members to bring side dishes and desserts. Come out and bring the family and enjoy the food and fellowship.

From the Chaplain's Corner:

"Blessed is the man who fears the Lord, who finds great delight in his commands... Surely he will never be shaken; a righteous man will be remembered forever. He will have no fear of bad news; his heart is steadfast, trusting in the Lord. His heart is secure, he will have no fear. (Psalm 112, verses 1, 6-8 NIV)
